

HOPE'S PARK AND PLAYGROUND

FAULKTON, SD

HOPE IS DEFINED AS A FEELING THAT WHAT ONE DESIRES WILL HAPPEN-

Hope's Park and Playground is being planned for a small lot just one-half block south of the Faulkton Area Medical Center. Developed from a vision and generous seed donation from a 25-year cancer survivor who wanted to give back and a land donation by FAMC perfectly suited for this park, it will soon be a reality. Having several families with young children, grandparents, daycares and a new housing development within blocks as well as the families and visitors of the patients at the FAMC who wait while their loved ones receive their cancer treatments, Hope's Park and Playground should prove to be a welcome addition for the entire community to enjoy.
