

ALPINE CHRISTIAN SCHOOL
Classical Christian Education

Have you heard the exciting news? Alpine Christian School has a new 21-acre campus that will open August 2018!! We can guarantee that we have some excited teachers and students anxious for their new classrooms and the space to run and play. 2017 was a miraculous year for Alpine Christian School as we were given the opportunity for a new building on the 21-acre tract that was previously donated to Alpine Christian School. We had to raise \$100,000 within two weeks and we exceeded our goal. God provided and our Homeward Bound campaign was a success.

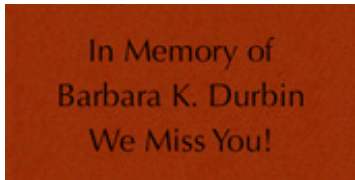

The next phase of our Homeward Bound campaign involves many projects that must be completed prior to school starting in August 2018. That's why we need your help! Since this is a private school, all of our funding for projects comes from private donations and grants from donors like you.

Brick pavers are the perfect way to honor your family, a friend, business, or organization while at the same time providing for a beautiful walkway to the entrance of our school. With any cash donation of \$100 or more, you can choose the inscription on a brick paver.

Our mission is to Build Leaders for a Broken World. We provide an education ministry to children and use many resources to provide a rigorous and challenging Classical Christian education. Concurrently, we also make it a priority to seek to make disciples of our students with the goal being to guide students into a relationship with Jesus Christ. Alpine Christian School is committed to Engaging Minds, Experiencing Truth and Building Leaders in the students who attend the school.
