

Buy A Brick for The Eastside Waterfront Park

Boothbay Harbor will soon have its own Eastside Waterfront Park! A centrally located property at 65 Atlantic Avenue is currently under development for this purpose. This community park will provide green space, free short-term boat docking, a splash pad and a small general store. Visitors will have access to expansive views of our beautiful, historic Boothbay Harbor. Located adjacent to the Town Fish Pier, the park also offers a pier dedicated to the working waterfront. Nearby is the famous footbridge which will allow visitors to explore local shops, restaurants and other sites on the opposite side of the harbor.

A brick lined walkway is planned for the park. You are invited to **Buy-A-Brick**, personalized and engraved to commemorate a special occasion, to honor or memorialize a special person, or even to feature your business or organization. Funds generated by the **Buy-A-Brick** opportunity will benefit the creation of the Eastside Waterfront Park. We all look forward to having a free place to sit and relax while we watch the events and activities on our harbor. Think about buying a brick to help pave the way!
