

CASAS

CHRISTIAN SCHOOL

Welcome to our Casas Christian School brick fundraising campaign! These bricks serve as both a beautiful walkway leading to our outdoor court area, as well as a lasting way for the legacy Casas has left on your family to be permanently captured.

All proceeds raised from each brick go directly towards our 2021-2022 fundraising

goal The CCS basketball and volleyball area is exposed to the elements, and although all students utilize this area at some point throughout each school year, the court remains open to the harsh, desert climate. By "raising the roof" our entire Casas community benefits.

You can order a custom engraved brick today! Some examples may include your children's names with the years they attended or graduated from CCS, the names of teachers or staff members who played an integral role in your life, or even the names of family members no longer with us who Casas ministered to in some way. Whatever legacy you most want to capture, these bricks can serve that purpose.

Leave your legacy today and support our Raise the Roof campaign!
