

CARY HIGH SCHOOL

Be part of a lasting legacy at Cary High School by purchasing an engraved brick inside Cooper Field! You can become a permanent part of this exciting project to raise funds for new digital scoreboards on Cooper Field, the IMP Dome (Gymnasium), Baseball and Softball Fields.

The Cary IMP Club is now offering engraved bricks to pay tribute to loved ones, students, teachers, staff, alumni and businesses.

Bricks can be purchased to commemorate graduation, awards, memorials or any other special event or person that you would like to honor. Local businesses may also showcase their lasting community support with an engraved brick and option to include their custom logo.

Bricks are engraved using state of the art laser technology that ensures legibility for the lifetime of the brick. Personalized bricks can be designed and purchased below. Orders are accepted throughout the year. Engraved bricks will be installed in the spring and fall. Please visit goimps.com for additional details.

The Cary IMP Club reserves the right of refusal for any order found to be inappropriate or in violation of Cary High School policies, directives or guidelines.
