

# City of Elk Point

To assist the committee in paying for a portion of the bath house, we are asking you to purchase a commemorative tile! These tiles will be used for walkways, and on the walls of the house. In years to come, you will be able to bring your children and grandchildren to the pool to see your name and their names as a legacy in the construction of the Elk Point community pool.

The tiles are engraved using state of the art laser technology. This will ensure strength and durability for years to come.

You will be able to create your own message for your tile. Your 4x8 tile may have up to 3 lines of wording and 20 characters per line. This includes spaces and punctuation. Your 8x8 Tile may have up to six lines of wording and 20 characters per line. This includes spaces and punctuation.

Company logos can be included on a tile at an additional charge. Please note that you can only get a company logo on an 8x8 tile and messages reduce from 6 lines to 4 lines.
