

HISTORIC DOWNTOWN FRANKLIN

EST. 2020

# POCKET PARK

Every brick, from the 4x8 and 8x8 text only bricks to the custom 8x8 and 16x16 four-brick arrays will tell the story of you, your family, your organization, business, or significant life event. This living time capsule will be looked at by future generations and remembered for years to come.

Those who missed out on the first phase of brick sales can still be a part of the Historic Downtown Pocket Park, although brick sales after April 29, 2021 will not be installed in the initial phase in 2021. At the end of January of each year the determination will be made by the City of Franklin as to whether the number of brick sales from phase two sales of the prior year will warrant the labor to pull up blanks and provide for installation for that year.
