Laurel House Legacy Garden

Laurel House is pleased to announce an ongoing engraved brick campaign.

Laurel House is a comfort care home where residents spend their final days, at no cost to themselves or others, in a highly supportive, warm and compassionate environment, surrounded by loved ones and kind-hearted staff and volunteers who attend to their needs.

The Laurel House Legacy Garden Project is a Wayne County community effort to create a paved patio on the Laurel House grounds. It will provide a relaxing spot to be enjoyed by Laurel House residents along with their friends and families. The patio and the surrounding landscaped area will include beautiful benches donated by the Boy Scouts, and personalized paving bricks.

Your purchase of an engraved brick offers a unique opportunity to become a part of the history of Laurel House. With your brick(s) you may share a sentiment, honor your family, memorialize a loved one (family, friend, or pet), or extend a show of support from your business or organization.

You will be invited to join us for the dedication ceremony at the completion of the project.

Please use the spaces provided below for your message and note that characters include letters, numbers, spaces and punctuation. All text is case sensitive and centered automatically on the bricks. The Laurel House PayPal Account is being used for the convenience of purchasing engraved bricks by credit card. Or, if you wish to mail your order to Laurel House, click [here](#) for the Printable Order Form, then mail that form with your check to the address indicated.

All bricks ordered from this point forward will be installed when another order totaling 50 is achieved.
