

MAIN STREET
WEST MEMPHIS

Main Street West Memphis is a non-profit organization whose Mission Statement is to be the primary catalyst for improving the downtown business area by bringing together all elements of the community, and further enhancing the overall quality of life. This project is a fundraiser to continue the efforts of Main Street West Memphis; now celebrating 30 years.

The water tower on E. Broadway, an art installation titled "Watershed", was the first tower responsible for providing water to a growing City of West Memphis. Many individuals, families and businesses took part in the growth of this City. Main Street is inviting you to be part of this unique Water Tower Walkway and this special commemorative opportunity to leave your mark in history by purchasing an inscribed brick.

Personalized bricks are a great way to honor that special person, family member or group; to commemorate a special occasion, to feature a business or organization or to be a memoriam. Your brick will be personally engraved and become a lasting tribute, paving the way for generations to come. The Water Tower Walkway will be across from the new Library. Main Street West Memphis is committed to the growth of businesses and the visual enhancement to the area for all to enjoy.

Brick Markers® USA, Inc. (BMI) offers this free clipart to your club or organization as an opportunity to increase your profit margins. Your club or organization could charge an additional fee to any of your donors/customers that would like to add clipart to their bricks.

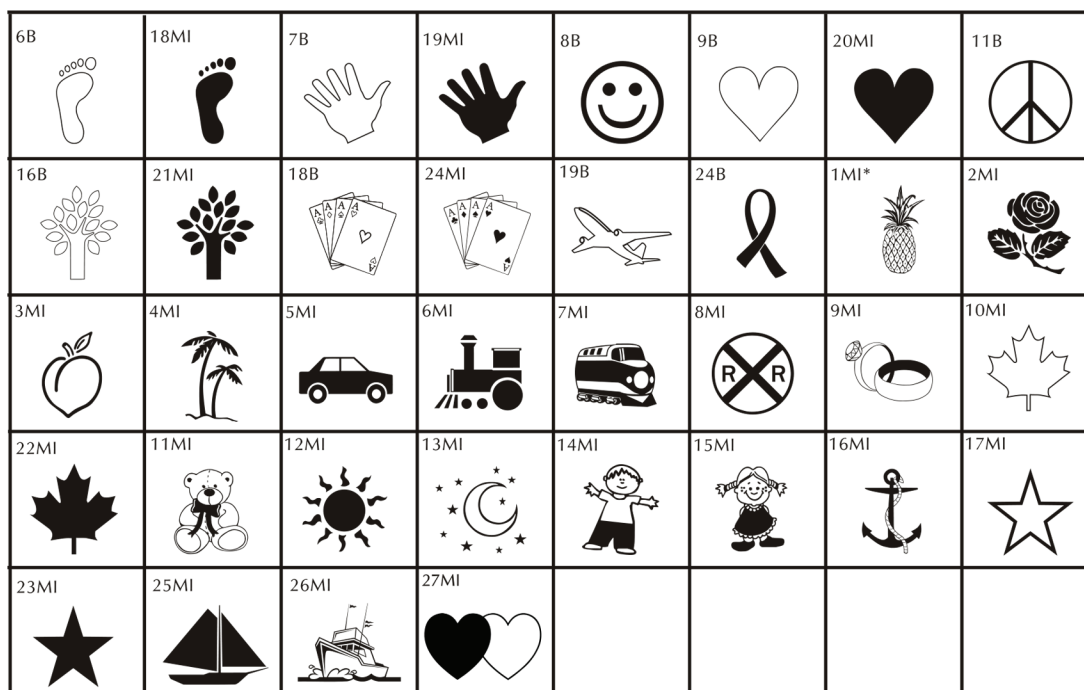

Important Note: Your brick area should have a clean and consistent appearance and should not be filled with too many free clipart images. We suggest that you limit the amount of free clipart images you offer to your donors/customers. For the possible free clipart image layouts, please see the attachment. We highly recommend one layout per size brick (4x8 & 8x8).

BMI Disclaimer: We will always do our best to provide a high quality engraved image. However, with any engraving process, we may lose some of the intricate details of a logo/graphic from the process of engraving. Such lost details should not be considered a defect but simply the result of engraving the image.
