

NEW BERLIN FIRE DEPARTMENT

The New Berlin Fire Station and Chobani Community Center are in the final stages of completion. The fire department members will be finishing off our meeting room, gear room, offices and storage areas. The funds needed for materials and labor were not part of the contract and will need to be raised by our membership. We would like to offer you an opportunity to not only provide monetary support but also be a part of our new location.

The New Berlin Fire Department invites you to be a part of a very special commemorative brick project. Personalized engraved bricks are a great way to honor a loved one, feature your business or organization, commemorate an important occasion, or use in memoriam.

Your personalized brick will be engraved with your selected name, and logo if desired, to leave a permanent legacy. The bricks will surround a flagpole memorial located at our new fire station as an ever present reminder of the people who supported the fire service.

Those who order bricks will also have the opportunity to order a mini replica to be used as a gift or keepsake.

We thank you for your support.
