

Woodcrest United Methodist Church is blessed with the gracious opportunity of sharing with our community a new facility for our Mothers Day Out & Pre-School Programs. Since 1963 Woodcrest has provided education opportunities to the community in a loving and caring Christian environment. This new facility not only will provide the school with its own single use building but will enable our programs to expand their reach to the lives of more children and their families.

We are excited to invite you to be a lasting part of this celebration by purchasing a Legacy Brick. We launch this Legacy Brick Campaign with all proceeds going directly to the facilities building fund. Bricks can be purchased and engraved with your own personal message that will become part of the school forever. Bricks will be installed beneath the awning at the entrance of the new school.

You can purchase a brick (or two or more!!) to honor your family, student, graduate, teacher, organization or business.....the possibilities are endless! Your personalized brick will become a lasting tribute, paving the way for generations to come. This donation is a charitable contribution, fully deductible for tax purposes.

You can place your order online today, print out a form or contact us for an order form. We are grateful for your support and excited for you to become a permanent part of Woodcrest MDO & Pre-School Programs.

For more information you may contact: Mandy Ternes at finance.woodcrest@gmail.com
